Please describe a summary of work undertaken by the SAC to improve student achievement and school performance.

Our SAC

- Supported the ongoing revitalization of our library by paying for books that promote diversity.
- Supported our P-2 literacy initiative by purchasing lots of materials
- Supported our math initiatives with the purchase of whiteboards and various materials for games.
- Purchased a Chromebook cart to help organize and maintain our new chrome books.
- Review new policies and completed online surveys to include our school's voice in provincial conversations.

Please list any significant milestones and success stories that the SAC would like to highlight.

- The SAC has been very supportive of our school initiatives this year. Our teachers have felt supported and appreciated as the SAC helped fund the purchase of materials to support the P-2 literacy initiative and 3-5 math initiatives.
- The SAC has continued to help fund the efforts of the Library Support Specialist to create a welcoming and diverse library environment for students and staff.
- Our SAC shared input on food policy initiatives, School Success Planning, and Physical Activity initiatives.

Please describe any related sub-committee work undertaken by SAC members (e.g., School Options Committee).
