“We would like to begin by acknowledging that we are in Mi’kma’ki (MEEG-MA-GEE), the traditional ancestral territory of the Mi’kmaq people”.

A peak into what WMES students are up to at home: Thanks for sharing Max and Lochlan! :)

Today's Shout Out:

Mrs. Cobb some WMES students
for creating this beautiful display
of "Nature Art".

School Rules Reminders for today:

Just because you aren't in the building, doesn't mean you should forget our school rules!

How are you doing following our school rules when your classroom is at home?

Work hard - and stay safe WMES!

The poster features the title 'WMES School Rules' at the top in a blue, hand-drawn font. To the left is a yellow star with radiating lines, and to the right is the WMES logo. Below the title are five blue rectangular boxes containing the following rules:

- Listen to Staff direction
- Keep hands, feet, objects to self
- Use appropriate language & volume for the learning environment
- Have permission to leave the learning environment
- Keep to the right while walking on stairs

At the bottom of the poster is an illustration of three stylized human figures (green, orange, and blue) holding interlocking gears of various colors (yellow, blue, red, green).

Don't forget you can "pop" into the office to chat!

Today's Quote:

Life
is not
about waiting
for the storm to pass,
it's about
learning to
dance
in the rain.

Have a great day WMES!
