# How are you keeping active at home?

# School Rules Reminders for today:

---

Just because you aren't in the building, doesn't mean you should forget our school rules!

How are you doing following our school rules when your classroom is at home?

Work hard - and stay safe WMES!

The poster features the title 'WMES School Rules' in a blue, hand-drawn font at the top. To the left is a yellow star with radiating lines, and to the right is the WMES logo, which includes a globe and the text 'Walter Memorial Elementary' and 'West Education in Texas'. Below the title are five blue rectangular boxes containing the following rules:

- Listen to Staff direction
- Keep hands, feet, objects to self
- Use appropriate language & volume for the learning environment
- Have permission to leave the learning environment
- Keep to the right while walking on stairs

At the bottom of the poster is an illustration of three stylized human figures in green, orange, and blue, each holding a gear of a different color (yellow, blue, and green) that they are interlocking.

# Don't forget you can "pop" into the office to chat!

**MES School Rules**

Listen to staff directions	Speak respectfully, both online and in person
Use appropriate language in online and in-person learning environments	Be respectful to your learning environment

Keep it respectful, kind, and safe

May 13th, 2021...

## Quote of the Day:

---

Winning doesn't  
always mean being  
first...

*Winning means  
you're doing better  
than you've done  
before!*
