WALK-INS *WITHOUT AN APPOINTMENT* WILL BE ACCOMODATED IF SUPPLY ALLOWS

- * Flu shots are free for all Nova Scotians
- * The vaccine contains no living virus and therefore cannot cause the flu
- * Influenza can increase your risk of pneumonia, heart disease related hospitalization, and stroke
- * Every year in Canada it is estimated that 10-20% of the population will become infected leading to over 12 200 hospitalizations and 3500 deaths
- * Getting vaccinated can help protect those around you from becoming sick

* It is recommend that recipients stay at the clinic site for 15 minutes post-vaccination to ensure no reaction occurs (ex. Dizziness can occur after any injection)

* Vaccination site is the Deltoid muscle (upper arm near shoulder), a sleeveless shirt is recommended for site access, or arm can be removed from a sleeved shirt

* Sign up online using the CanImmunize Website using the QR Code above or the link provided here to reserve your dose
